

My Problem Solving Sheet

Write about a problem you are currently facing.

A large, empty rectangular box with a light blue border, intended for the user to write about a problem they are currently facing.

Come up with three solutions that could solve your problem. When you are done, circle your best solution and try it!

A vertical, empty rectangular box with a light blue border, intended for the user to write the first of three solutions.A vertical, empty rectangular box with a light blue border, intended for the user to write the second of three solutions.A vertical, empty rectangular box with a light blue border, intended for the user to write the third of three solutions.
