

## Brisk Slides Presentation in Seconds

See an example:

This [Google Slides presentation on Women's History Month](#) was made in seconds using the free Brisk Teaching Chrome extension.

Here's how I did it:

1. Install the **Brisk Teaching extension** for FREE from the Chrome Web Store: [Brisk Teaching Chrome Extension](#)
2. Navigate to a vetted webpage with lots of great information on the topic my students are studying. The site I used was [Women's History Month on NationalGeographicKids.com](#)
3. Click on the **Brisk** icon in the lower right-hand corner.
4. Click "Create."
5. Click "Presentation."
6. Change the specifications to fit your class. In my example, I adjusted the grade level to 4th grade and asked for 10 slides.
7. Brisk it!

Where do I find content to "Brisk"?

Visit [20+ sources of FREE digital content for your class](#) to find a site with content that you can use in your class.

Install the free [Brisk Teaching Chrome Extension](#) and Brisk away
