Have you used chatbots to save time this school year? ChatGPT and generative artificial intelligence (AI) have changed the way I think about instructional planning. Today on the blog, I have a selection of ChatGPT prompts for ELA teachers.

You can use chatbots to tackle tedious tasks, gather ideas, and even support your work to meet the needs of every student. In my recent quick reference guide published by ISTE and ASCD, [Using AI Chatbots to Enhance Planning and Instruction](#), I explore this topic. **You can also find 50 more prompts for educators in this [free ebook](#).**

Although I mention [ChatGPT](#) in this post, you can use these prompts with other chatbots. You can try [Claude](#), [Bard](#), or even the [Magic Write](#) feature in Canva. I share [more favorite AI tools in this blog post](#).

If you are teaching English Language Arts (ELA) or reading and writing skills this school year, this list of prompts is for you!

Here's a list of twenty ChatGPT prompts for ELA teachers that you can customize to your needs this school year. You can change the skills, grade level, and specifics for each prompt to make it your own. If you see brackets like this [topic], just replace what's inside the brackets with details related to your needs.

**Note:** *If you're not teaching ELA this year, but know someone who is, send a link to this post their way – I'm sure they'll appreciate these time-saving tips for teachers!*
